MILITIA PREPARING FOR THE ENCAMPMENT

SECOND REGIMENT GOES IN TO CAMP TODAY AT GREENVILLE

DRILL PRACTICE

Boys are Working Hard and Want to Make Good Show—Many Arrangements Made.

The local militia are practicing for the encampment which is to be held at the Isle of Palms on July 30. They are hard at work drilling on every Tuesday and Friday nights and are going through the various maneuvers and are trying to put themselves in best of trim for their trip.

The company is now composed of 68 men and all are anxious to go on the encampment.

The Second regiment will go into camp in Greenville Wednesday, July 7, and will remain there until July 17. The First regiment will mobilize in Charleston July 20 and remain until July 30.

Many arrangements are being made at the Isle of Palms and everything is being done to make the members of the National Guards have a good camping site. Arrangements have been perfected by which the members may buy a bathing suit from the pavilion management for \$1.00 and use while they are there. The suits may be sold back at the price of 50 cents when the camp is broken up.

Notice About Souvenir Spoons

We regret to be compelled to inform the public that we have run out of South Carolina Souvenir spoons temporarily, but the truth is that we were not prepared to care for the great many orders which have come in for these spoons. We have ordered more and expect to be able to supply the demand within a few days.

We have plenty of the North Carolina spoons on hand, and next week we will put on the Alabama spoons, and it certainly is a beauty.
